

What Happens When You Quit Smoking

Quit For Life® on Rally Coach™ is designed to give you the confidence you need to quit tobacco for good. Here's a timeline of all the positive effects on your body after your last cigarette or vape.

The Bigger Picture

1 Year

Your excess risk of coronary heart disease is half that of a continuing smoker.

2 to 5 Years

Your risk of having a stroke is reduced.

15 Years

Your risk of coronary heart disease is close to that of a nonsmoker.

Quit For Life gives you a personalized Quit Plan and 1:1 access to coaches via phone, chat, or text. Plus group video sessions, nicotine replacement therapy, and more. All at no additional cost to you.
