

Your Benefits at a Glance

Toyoda Gosei is proud to offer a robust benefits program that takes care of your full well-being – your **physical, emotional and financial health**.

Here’s a quick summary of the various available options. Please review the **Benefits Guide** for full details.

Benefits for Physical Health

Medical Coverage

We offer access to two high-quality medical plans – the Optimal plan and Prime plan – that include:

- Prescription drug benefits, including cost-saving programs
- A nurse concierge service line
- 24/7 virtual visits for non-emergency health concerns
- Free wellness programs, including weight loss support and diabetes management

Medical Plan Summary

Team Member + Spouse	\$2
Team Member + Child(ren)	\$2
Team Member + Family	\$3

*Contact lens coverage provided in lieu of frames and lenses.

**20% off any amount over the retail allowance.

Benefits for Emotional Health

TeleMental Health Visits

In addition to in-person visits, you and covered family members can visit with a psychiatrist or therapist through private, secure video chat to help with concerns such as depression, anxiety, stress and various other emotional health concerns.

Other Resources

- The **Sanvello app** teaches coping skills for dealing with anxiety and depression. It's available at no cost to you.
- **Talkspace** makes it easy to speak or text with a therapist for emotional health support. Associated costs are run through insurance.
- Whenever you need a hand, **Optum EAP** can help. Experienced clinicians, counselors, mediators, lawyers and financial advisors are available to help with matters such as stress, anxiety and depression, relationship and parenting issues, workplace conflicts, financial or legal questions, substance abuse and addictions, and much more. This is available to you and your dependents at no cost.

Benefits for Financial Health

Health Savings Account (HSA)

If you enroll in the Optimal medical plan, you may open an HSA – a personal savings account for eligible medical, dental and vision expenses. You choose how much of each paycheck to save in the account (on a pre-tax basis, which saves you money on what you would have paid in taxes), and Toyoda Gosei contributes as well to help you pay for out-of-pocket costs.

Flexible Spending Accounts (FSAs)

These tax-advantaged accounts let you save pre-tax funds from your paycheck to use for qualified health care or dependent care expenses, such as copays, coinsurance and day care expenses.

Lifestyle Spending Account (LSA)

This account is a flexible and inclusive company-funded wellness program that provides money to spend toward personal wellness needs.

Voluntary Coverage

With critical illness, accident and hospital indemnity insurance, you can better prepare for the unexpected. These plans are available for purchase at favorable group rates and provide a cash benefit in the event of a qualified diagnosis, accident or hospital stay.

Life and Accidental Death and Dismemberment (AD&D) Insurance

Toyoda Gosei automatically provides basic life and AD&D insurance equal to 1.5 times your basic annual earnings (rounded to the next higher \$1,000) at no cost to you. You may purchase additional coverage for yourself, your spouse and children under age 26.

Disability Insurance

Short-term disability (STD) and long-term disability (LTD) replace a percentage of your income if you suffer an accident or illness that prevents you from working. Toyoda Gosei provides both of these plans at no cost to you.

401(k) Retirement Plan

It's never too early to start planning for retirement. You're eligible to participate in our 401(k) plan the first of the month following your hire date. You can contribute 1% to 90% of your income before taxes, and Toyoda Gosei will match up to 3% of your contribution dollar for dollar. The company may make a discretionary contribution each year. You're fully vested in the company's contributions after five years of service, or at 20% per year of service.

Time Away from Work

To support your work/life balance, Toyoda Gosei offers Company-paid time away from work through **Paid Personal Leave (PPL)** and **Holidays**.

Team members begin accruing PPL on the first day of employment. Any accrued, unused PPL balance at the end of the year carries over to the next year.

Our holiday schedule varies by year, but it typically includes a minimum of 10 Company-paid days off per year.

Other Valuable Benefits

Tuition Reimbursement and Job Related Training

Toyoda Gosei provides many ways for you to learn, build your skills and further your career. We offer tuition reimbursement for qualifying work-related courses, free development resources through TGUniversity and on-the-job specific training. Check with your local HR department for specific details of this program.

Legal Plan

When you purchase this coverage, you have unlimited access to attorneys and services that can help with will creation, court appearances, real estate matters, document review and more.

Identity Theft Protection

You may purchase identity theft protection to guard against fraudulent activity. This coverage provides an annual credit report and monthly score, protection against reputational damage on social media, secure storage of documents, an identity theft policy worth \$1 million and more.

Online Discount Mall

All Toyoda Gosei team members have access to countless discounts on brands you love through the PerkSpot program. Get deals from restaurants, stores, gyms and more!

Local Benefits

Each of our locations have local benefits such as local gym membership discounts and Daily Pay for hourly employees. These vary by location, so please check with the Human Resources Department for details.

Free #TGhealthyME Wellness Programs

Weight Loss and Condition Management

We offer a free weight loss program through **Real Appeal** and a free hypertension management program (including free testing supplies) through **Livongo**.

Virta Health can help if you're pre-diabetic, looking to reverse Type 2 diabetes or need help with diabetes management. With Virta, you'll be able to work on reversing diabetes, losing weight, achieving normal blood sugar, and getting back to good health. Virta provides no-cost access to physicians and nurses who can provide expert medical care, when and where you need it, via Virta's custom-designed app. You will also receive a free blood sugar monitor, testing supplies, weight scale and food scale.

For managing chronic pain or pain after surgery, **SWORD Health** offers personalized support with virtual physical therapy. You'll get coaching support, customized exercises and tools for monitoring your progress – all at no cost to you.

When You Need Help
